If unsure of details, please ring the school involved to clarify. Notify the zone executive if your school details change.
- Rounds should **begin no later than 1:00pm** (earlier if possible) and conclude no later than 2:30pm to ensure that all matches can be played with a result. You can agree to shorten games if necessary. Finals matches are to begin at 12:30pm and be finished by 2:30pm.

Please try to negate the need for protests by calling **"TIME OUT"** during the game and clarifying or discussing any decisions that are causing confusion or concern at the time they occur.
- **Both teams MUST provide scorers for every match.** Scorers can be students and need to be shown how to fill in score sheets. They must score as directed by the umpire/referee and the umpire/referee MUST check that scoresheets are showing the agreed result at the changeover of every innings/half/quarter of matches.

- Where the number of games played by schools is not equal, a win/loss ratio will be used to determine placings.
